DUBLIN CLEANERS, GARDA-VETTED

The same cleaner, every single visit

Sparkle Clean Co began with a simple idea: the person cleaning your home or office should be someone you know, not a stranger every week. Every cleaner we send is Garda-vetted before they ever pick up a cloth, and we match you with the same cleaner for every visit, so they learn your home, your office, and exactly how you like things done.

01

Same cleaner, every visit

Weekly and fortnightly home cleaning across Dublin, from €25 an hour, with your own Garda-vetted cleaner.

What your weekly clean covers

Kitchens & bathrooms

Surfaces, sinks, hobs and bathrooms cleaned top to bottom at every visit.

Dusting & vacuuming

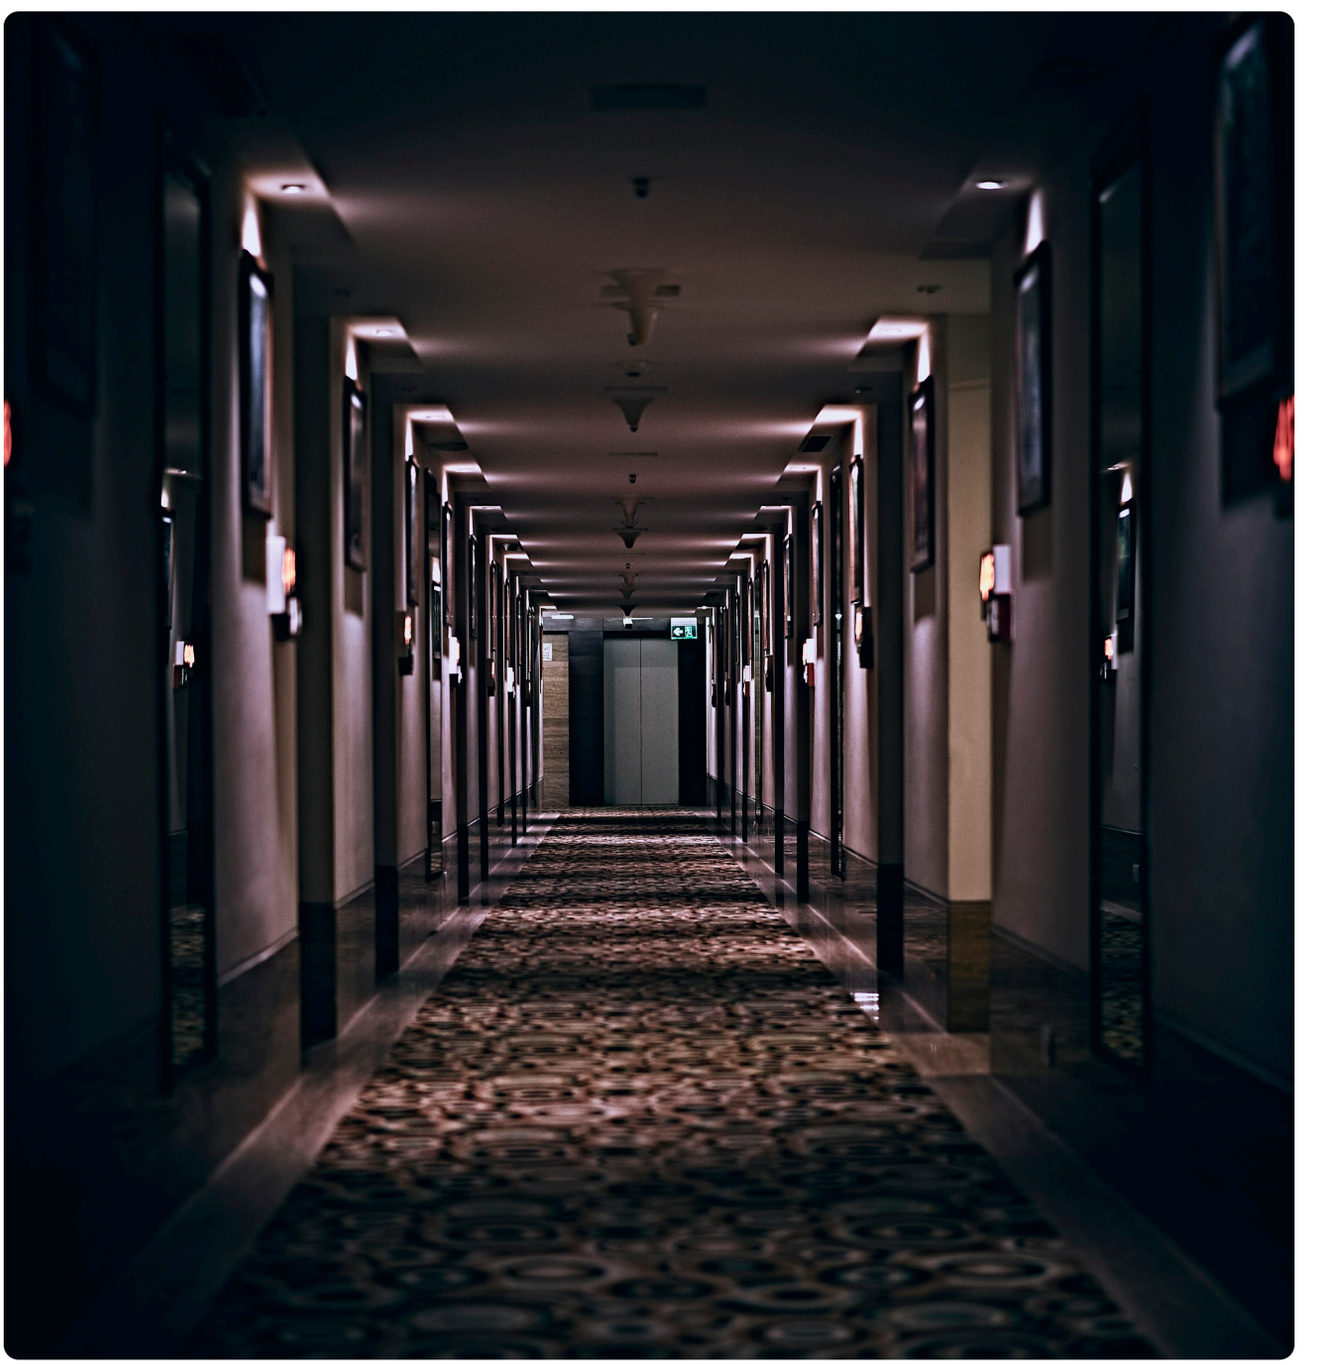
All rooms dusted, floors vacuumed and mopped, so your home feels fresh week to week.

Same cleaner each time

You get the same Garda-vetted cleaner for every visit, so they learn your home and your routine.

Eco-friendly products

We bring our own eco-friendly cleaning products, so you never need to supply your own.



02

Deep cleans, done properly

Top-to-bottom deep cleaning for Dublin homes, from skirting boards to extractor fans, with our own eco products.

Every corner, properly cleaned

Oven, grill and hob

We degrease the oven inside and out, the grill pan and the hob, so it looks and smells new.

Bathrooms, descaled

Tiles, grout, shower screens and taps lose the limescale and soap scum.

Kitchen, deep-wiped

Cupboard fronts, skirting boards, the extractor fan and splashbacks all get attention, not just the surfaces you see.

Windows and sills

Internal windows, frames and sills are cleaned inside, letting more light into every room.
