

Real moments, wherever you say yes

Candid wedding and elopement photography across Queenstown and Central Otago, in the mountains, by the lakes, in the light as it falls.

Here for the real moments

I started photographing weddings here because this light, these mountains, asked to be witnessed. I follow real moments as they happen — unscripted, unposed — wherever two people choose to say yes.

01

Your wedding day, told in natural light

Candid, documentary wedding photography across Queenstown and Central Otago — real moments, wherever you say yes.

Full-day coverage, told honestly

Full-day documentary coverage

I stay from morning preparations through to the dance floor, so nothing in between is missed.

Candid, unposed photographs

Real emotion, not stiff poses — laughter, nerves, the look on your partner's face as you say yes.

Queenstown & Otago venues

I know the light on the lakes, the mountains and the vineyards, and where to find it for you.

Gallery within four weeks

Your full wedding gallery arrives within four weeks of your day, ready to share and print.

02

An intimate day, told in natural light

For couples eloping in the mountains or by the lake

What your elopement day includes

Your ceremony, witnessed

I photograph your vows exactly as they happen — quiet, real, and yours alone.

Adventure to your spot

We go wherever you say yes — alpine tops, lake edges, forest trails across Central Otago.

Natural light, all day

From sunrise ceremonies to golden-hour portraits, I work with the light Queenstown gives us.

Just the people you choose

Bring a celebrant, a witness, or no one at all — I document who you choose to have there.

03

Engagement photos that feel like you

An hour or two together, somewhere you love, with a camera that mostly disappears. Real laughter, real views, no stiff poses.

Photographs that feel like a memory

Natural light, always

No flash, no studio setup — just the light Queenstown gives us that day.

Queenstown and Central Otago

Lakes, mountains, high country roads — wherever feels right for you.
