ABOUT US

BUILT ON LICENSED, UPFRONT SERVICE

CoolBreeze Air repairs, replaces and maintains heating and cooling systems for homeowners across Phoenix metro. Every technician on our team is NATE-certified, and we're licensed, bonded and insured under ROC #300000, so the person who shows up at your door knows the job and stands behind it. We work on Trane, Carrier, Lennox and Daikin systems, and we quote the price before we start, not after. When your AC fails in the middle of July, our 24/7 emergency line puts a real technician on the phone, not a voicemail.

WHAT WE DO

HEATING AND COOLING, DONE RIGHT

From a broken AC on the hottest day to a full system replacement, our team covers it.

AC repair

Fast, upfront-priced repairs for Phoenix homes, 24/7.

AC replacement

A new Trane, Carrier, Lennox or Daikin system, installed with financing available.

Heating repair

Fast repairs to keep your home warm through Phoenix's cooler nights.

Maintenance plans

Comfort Club members get two tune-ups a year, priority scheduling and 15% off repairs.

Indoor air quality

Filtration and fresh air solutions for a healthier Phoenix home.

HOW IT WORKS

YOUR COMFORT, START TO FINISH

1. **Get a free quote**
   Call or request a quote online — we'll get you a time fast.

2. **We come to you**
   A NATE-certified technician arrives, diagnoses the issue and gives you an upfront price.

3. **We fix it right**
   Repair, replacement or tune-up completed the same visit whenever possible.
