WELCOME

From farm to cup, every Tuesday

A short journey from green coffee to your kitchen bench.

We buy green coffee direct from growing partners, then roast it in small batches every Tuesday at our Smith Street roastery in Collingwood. Each bag ships within 48 hours, so the coffee in your cup is close to the day it was roasted. We taste every batch before it goes out, and we're always happy to talk origin, process and brew method with home brewers across Melbourne.

House Espresso Blend

The coffee we pour in our Smith Street café every day. A seasonal blend built on Brazil and Colombia for chocolate and caramel, lifted by a washed Ethiopia for a hint of stone fruit. Made for milk, generous enough for a short black. If you only buy one bag from us, make it this one.

COMPONENTS	Brazil, Colombia, Ethiopia (changes with the seasons)
ROAST	Medium, for espresso
BEST FOR	Flat whites, lattes, short blacks
SIZE	250 g · 500 g · 1 kg
GRIND	Whole bean · Espresso · Filter · Plunger

FROM **$20**

Night Shift Dark Blend

For those who like it strong. Night Shift is roasted a little longer for a big, syrupy body with dark chocolate, molasses and roasted walnut — and none of the burnt bitterness of a supermarket dark roast. Brilliant in a moka pot, a plunger or a long black on a cold morning.

COMPONENTS	Brazil, Sumatra, Colombia
ROAST	Medium-dark
BEST FOR	Moka pot, plunger, milk drinks
SIZE	250 g · 1 kg
GRIND	Whole bean · Espresso · Filter · Plunger

Tuesday Filter Blend

Named for roast day. A bright, easy filter blend that changes with what is freshest in our green coffee store — right now a washed Rwanda and a honey Colombia. Built for the batch brewer and the pour-over alike: red berries, brown sugar and a clean black-tea finish.

COMPONENTS	Rwanda, Colombia (seasonal)
ROAST	Light, for filter
BEST FOR	Pour-over, batch brew, AeroPress
SIZE	250 g · 1 kg
GRIND	Whole bean · Espresso · Filter · Plunger

OUR STORY

Direct-trade beans, roasted weekly in Collingwood

Single origins and house blends roasted every Tuesday and shipped within 48 hours, to home brewers across Melbourne and Australia-wide.

Ritual roasts specialty coffee on Smith Street, Collingwood, every Tuesday. We buy direct-trade green coffee, cup every batch before release, and ship within 48 hours — so the roast date on your bag is never far from the day you brew it. Direct trade means fewer middlemen between farm and roaster, and more say in what we bring home. It's slower work, but it means you can trust what's on the bag: origin, process and roast date.
