

WHY FAMILIES CHOOSE US

Calm, gentle care for every visit

We treat nervous patients and busy families with patience, clear explanations and no judgment.

Gentle with nervous patients

We take time to explain every step, so you always know what to expect.

Care for the whole family

From first teeth to wisdom teeth, we see every age in North Vancouver.

Direct billing

We bill most insurance plans directly, so you pay less out of pocket.

Same-day emergencies

Toothache or broken tooth? We offer same-day emergency appointments.

MEET THE TEAM

Dentists and hygienist you'll know by name

Three North Vancouver clinicians, each focused on calm, careful care for every age.

- **Accepting new patients**
- **Open six days**

OUR TREATMENTS

Dental care for the whole family

From first check-ups to same-day emergencies, gentle care at every age and stage.

Check-ups and Cleaning

Regular exams and cleaning to keep the whole family's teeth healthy.

Children's Dentistry

Gentle, friendly care for kids of every age.

Invisalign

Clear aligners that straighten teeth discreetly, fitted and monitored by our dentists.

Dental Implants

A lasting solution for missing teeth, planned and placed by our dental team.

Emergency Appointments

Same-day appointments for toothache, breaks and other dental emergencies.

GETTING STARTED

Your first visit, made easy

From booking to your first check-up, here's what to expect.

1. **Book your visit**
   Call or request an appointment online, we'll find a time that suits you.
2. **Meet our team**
   Arrive at our Lonsdale Avenue clinic and tell us about any concerns.
3. **Your check-up**
   Dr. Sandhu or Dr. Ellison examines your teeth and explains any next steps.
4. **Plan ahead**
   We'll book any follow-up care and answer your questions along the way.
