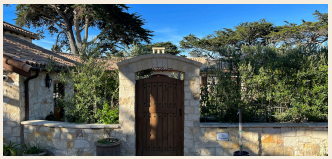
OAK & STONE BUILDERS

WHAT WE BUILD

ONE TEAM, EVERY STAGE OF YOUR BUILD

From a kitchen extension to a full barn conversion, our in-house team designs, builds and finishes the work.



House extensions
Kitchen, garden and side-return extensions designed to match your home's stone and proportions.

Whole-house renovations
Full refurbishments that bring period Cotswold homes up to modern living standards

New-build homes
Bespoke new homes in local stone, backed by a 10-year structural warranty.

Barn conversions
Traditional stone and timber barns converted into characterful, comfortable homes.

Kitchens and joinery
Bespoke kitchens and fitted joinery, made and installed by our own craftsmen.

HOW IT WORKS

I

Design and drawings
We visit your home, discuss your brief and prepare drawings and planning applications.

II

Planning and detail
We finalise specification, materials and programme before any work starts on site.

III

Building your project
Our own team builds the work, from groundworks through to the finished joinery.

IV

Handover
We walk the finished home with you, snag list complete, before you move back in.
