Kōwhai Skincare

Natural skincare made in Nelson

Skincare drawn from native ground

Natural skincare made in Nelson, New Zealand, with native botanicals like kawakawa and harakeke. Cleansers, serums and balms for sensitive skin, in refillable glass.

Made by hand in Nelson

Small batches, native ingredients, quiet care.

Kōwhai Skincare began in Nelson with a simple idea: skincare as gentle as the plants it comes from. We work with kawakawa and harakeke, native to New Zealand, and keep every batch small.

Every bottle is made to be refilled, every formula made for sensitive skin.
