ABOUT BRIGHTSPARKS EARLY LEARNING, BELCONNEN

Safe, loved and learning, every day

We started Brightsparks because Belconnen parents wanted somewhere they could trust with the people they love most. Every room is led by degree-qualified early childhood teachers, and every day is built around play, curiosity and rest, not routine for its own sake. Children grow here. They dig in the garden, cook with real ingredients, and nap when they need to. We watch, we listen, and we share it with you at pick-up.

01

Safe, loved and learning from six weeks old

Our Nursery room cares for babies from six weeks to two years with gentle routines

What your baby's day looks like

Play-based learning

Everyday play builds curiosity and confidence, guided by our early childhood teachers.

Time in the garden

Our big garden gives little ones fresh air and space to explore.

Meals cooked on site

Nutritious meals and snacks are prepared fresh in our kitchen each day.

Gentle, loving care

Warm routines for feeding, sleep and comfort, tailored to your baby's own rhythm.

02

Where toddlers learn to explore safely

Play-based days in our garden and bright toddler rooms, with meals cooked on site, for children two to three years old in Belconnen.

What your toddler does each day

Garden play

Daily time in our garden for climbing, digging and running, building strong little bodies.

Play-based learning

Songs, stories, blocks and messy play that build language, curiosity and confidence.

Meals cooked on site

Breakfast, lunch and afternoon tea cooked fresh at the centre, for growing appetites.

Small, familiar faces

The same toddler educators each day, building trust and routine your child can count on.

03

Curious minds, confident starts

Our preschool program for three-to-five-year-olds builds confidence, curiosity and school-readiness, led by degree-qualified teachers in Belconnen.

What your child learns

Early learning foundations

Literacy, numeracy and problem-solving woven into everyday play, led by degree-qualified teachers.

Social confidence

Group projects and shared play build friendships, turn-taking and the confidence to speak up.

Garden-based exploration

Our big garden gives little ones room to run, dig, climb and discover the natural world.

Wellbeing & independence

Your child learns to manage feelings, pack their own bag and make choices, ready for school routines.

Built on trust and care

Exceeding the NQS

Rated Exceeding the National Quality Standard for the care and learning we provide.

Degree-qualified educators

Our early childhood teachers hold degree qualifications and love what they do.

A big garden to explore

Space to run, dig and discover nature, right here in Belconnen.

Meals cooked on site

Fresh, nutritious meals made in our own kitchen every day.

GETTING STARTED

From first visit to first day

1 **Get in touch**
