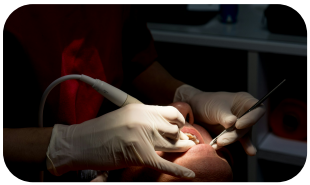
OUR TREATMENTS

Northshore Family Dental

Dental care for the whole family

From first check-ups to same-day emergencies, gentle care at every age and stage.



Check-ups and Cleaning

Regular exams and cleaning to keep the whole family's teeth healthy.

Children's Dentistry

Gentle, friendly care for kids of every age.

Invisalign

Clear aligners that straighten teeth discreetly, fitted and monitored by our dentists.

Dental Implants

A lasting solution for missing teeth, planned and placed by our dental team.

Emergency Appointments

Same-day appointments for toothache, breaks and other dental emergencies.

GETTING STARTED

1

Book your visit

Call or request an appointment online, we'll find a time that suits you.

2

Meet our team

Arrive at our Lonsdale Avenue clinic and tell us about any concerns.

3

Your check-up

Dr. Sandhu or Dr. Ellison examines your teeth and explains any next steps.

4

Plan ahead

We'll book any follow-up care and answer your questions along the way.
