Ritual Coffee Roasters

SPECIALTY COFFEE ROASTERS, COLLINGWOOD VIC

Direct-trade beans, roasted weekly in Collingwood

Ritual roasts specialty coffee on Smith Street, Collingwood, every Tuesday. We buy direct-trade green coffee, cup every batch before release, and ship within 48 hours — so the roast date on your bag is never far from the day you brew it. Direct trade means fewer middlemen between farm and roaster, and more say in what we bring home. It's slower work, but it means you can trust what's on the bag: origin, process and roast date.
