SEA KAYAK COURSES IN VICTORIA

Go from first strokes to confident paddler

Courses in paddle strokes, rescues and trip planning for new paddlers in Victoria, BC.

Tidewater Sea Kayak School

CERTIFIED SEA KAYAK INSTRUCTORS

Taught by certified sea kayak instructors

New paddlers in Victoria need more than a calm bay and a borrowed kayak. They need strokes, edging, rescues and a plan, taught properly, so the water stays a place they want to return to.

01

Courses built for new paddlers

Learn paddle strokes, rescues and trip planning in courses that follow Paddle Canada skills, taught by certified sea kayak instructors in Victoria, BC.

OUR COURSES

Sea kayaking: your first trips on the water

Build real skills on open water: strong strokes, a confident brace, a safe wet exit, and a sheltered trip you plan yourself.

$129.00

Taught to a real standard

Paddle Canada skills

Every course follows the Paddle Canada skills standard, from first strokes to rescues.

Certified instructors

Classes are taught by certified sea kayak instructors who know the waters off Victoria.

Trip planning included

Learn to read charts, tides and weather so you can plan your own paddling trips.

Welcoming to beginners

Courses start with the basics, so new paddlers can join with no experience on the water.

HOW IT WORKS

Three steps onto the water

1 Browse courses

See what's open on paddle strokes, rescues and trip planning.

2 Enrol and prepare

Sign up online, then get ready to meet your instructor on the water.

3 Learn on the water

Practise strokes, rescues and trip planning with a certified instructor, May to September.

What new paddlers ask

Do I need any experience to start?

No. Courses are built for new paddlers and start with the basics of paddle strokes before moving to rescues and trip planning.

What will I learn?

Paddle strokes, rescues and trip planning, following the Paddle Canada skills standard.

Who teaches the courses?

Certified sea kayak instructors teach every course.

When can I get on the water?

On-the-water sessions run May to September. The course website itself is online any time.
