Northshore Family Dental

FAMILY DENTISTRY IN NORTH VANCOUVER

The people looking after your smile

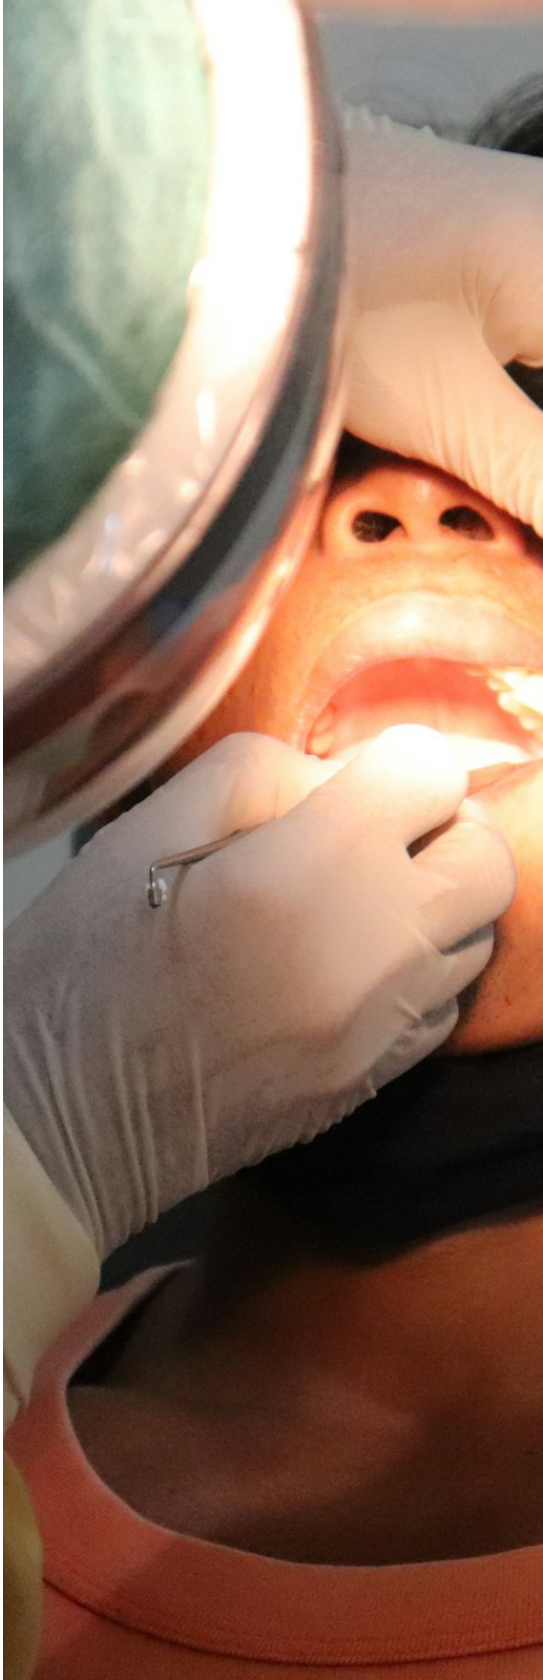

Three North Vancouver clinicians, each focused on calm, careful care for every age.

01

Gentle care, every visit

Routine check-ups, cleaning and hygiene care for families and nervous patients across North Vancouver, with direct billing to most insurers.

What your check-up includes

Full exam

Dr. Sandhu or Dr. Ellison checks your teeth, gums and bite for any changes.

Professional cleaning

Hannah Cho removes plaque and polishes your teeth for a fresh, smooth feel.

Gum health check

We check your gums gently, with no judgment and no surprises.

Honest advice

We talk you through what we see and answer your questions plainly.

02

Little smiles, cared for gently

Friendly check-ups, cleaning and preventive care for babies, kids and teens in North Vancouver, in a calm room with no rush and no judgment.

Care that grows with your child

First visits

A gentle introduction to the dentist, so chairs and toothbrushes feel familiar, not frightening.

Check-ups and cleaning

Regular exams and cleaning to keep growing teeth healthy, explained in words kids understand.

Preventive care

Simple, friendly guidance on brushing, flossing and diet to protect little teeth early.

No judgment, ever

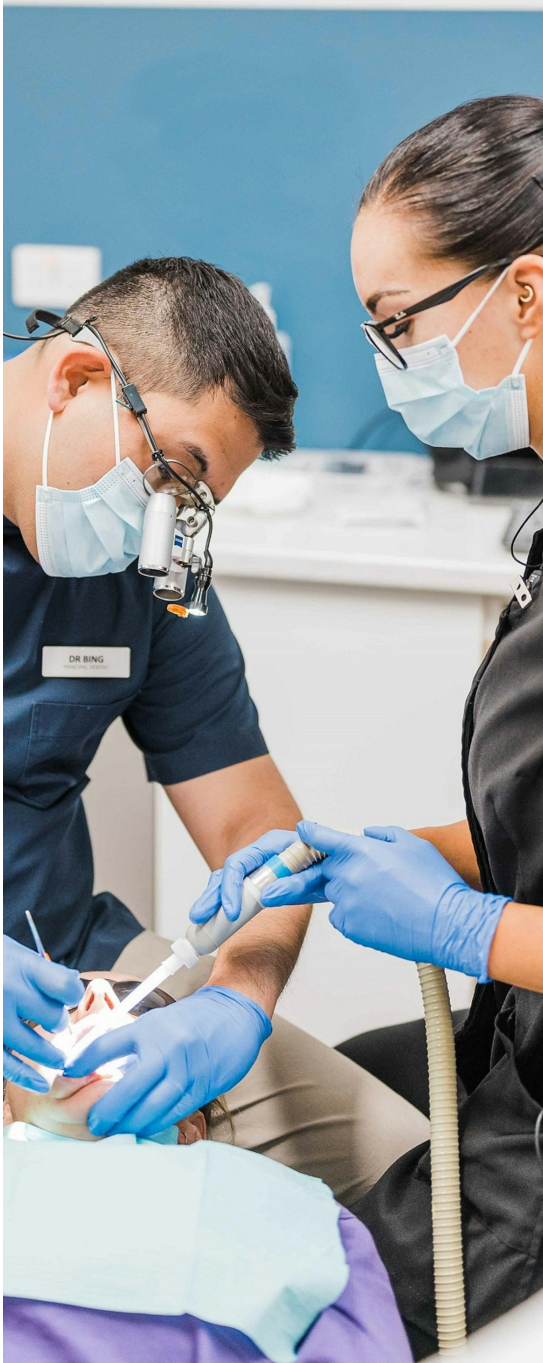

A calm, unhurried room for nervous kids, with time for questions and no rushing.

03

A confident smile, clear and comfortable

Clear aligners that straighten teeth without wires or brackets. We build every plan around your life, with gentle guidance at each visit.
